

# VENTURE CAPITAL INTERNSHIP PROGRAM

## Summer 2023

Michigan Venture Capital Association (MVCA) is offering an internship program that provides an inclusive and meaningful statewide internship program to provide underrepresented students an opportunity to become exposed to Michigan's venture capital firms. Space is limited!

**DEADLINE TO SUBMIT: December 2, 2022**

### Internship Include:

- Working closely with a Michigan venture capital firm (In-person) for approx. 12 weeks.
- Networking opportunities
- Two educational sessions
- Each intern is paid by the VC firm. (Avg rate of pay: \$15-20 an hr range but is at the discretion of each firm)

Students would participate in the following types of activities:

- Market research & analysis
- Assistance with sourcing new investments; deal support
- Due diligence research on potential new companies
- Assistance with reporting
- Potential work with portfolio companies
- Presentation prep / writing

Send application to:

(No phone calls)

Participating Firms Include

### To apply for an internship, please send the following:

- Resume
- Essay Prompt describing future career goals related to being involved in the entrepreneurial and investment community in Michigan as well as what the student hopes to accomplish during the internship. (300-500 words)
- *Students must be 18 years old by the start of the internship employment and currently enrolled and in good standing.*
- *Open to undergraduate and graduate students. No major would need to be declared to be an eligible candidate.*
- *All application submissions will be pre-screened by MVCA to ensure applicants meet initial program criteria.*
- *MVCA will then recommend applicants to the MVCA talent committee for review and potential interview. (Recommendations will be made at the discretion of the MVCA).*
- *All interviews, candidate selection, hiring process, and related communication will be done by the venture firms participating in the program.*
